Message from the Presidents

It's almost July! Happy Independence Day! As we get ready to celebrate our Nation's Birthday I hope this message finds you, your Mid and the rest of your family all safe and sound. As we read this edition of Tradewinds, I-Day has come and gone, and the Class of 2023 has started its journey that seems long now, but will be over before you know it.

I am sure for those of you that were there it was an emotional experience, one that you will treasure forever. I can still remember that day and when the loud "boom" of the great brass doors of Bancroft Hall slammed shut, the anxiousness we experienced. What was happening? What is going to happen? And that began one of the longest two week periods I can remember as we hunted for photos of our "Waldo" and anxiously awaited that first phone call to finally hear that everything was indeed alright.

And as Summer rolls on, the rest of the Brigade is out and about on its training assignments. Whether back in Annapolis taking classes, training Summer Seminar participants or pushing Plebes, to doing the neatest things in the world out on the seas, above the clouds, and under the water, and probably in all the areas in between, we know they are having the times of their life. We hope that all of you will get the chance to spend some time with your Mid this Summer and get the chance to hear in person how their adventures are shaping up. We also hope you all join us at the Summer Picnic July 21st at Barney's Beach House at Seal Beach Weapons Station to share all those adventures with the rest of us!

Cheers to all, and Go Navy!

Very respectfully,

Toby and Julie

We had a fantastic Welcome Aboard Luncheon for the Class of 2023 this past Sunday and we wished 36 Appointees and NAPS/Foundation students well as they make their final preps for I-Day. For those of you that were there I am sure you will agree that it really was a great event. Many many thanks and a big BZ to Greg and Nancy Annick who lead the effort in making the afternoon truly outstanding. -Toby Nassif, President
