

July, 2019 Issue

## Message from the Presidents

Summer is in full swing and two of the three blocks have already passed us by. Before we know it, all of our Mids will have completed their summer training sessions, the Brigade will have reformed on the Yard, and another academic year will be started. I hope you all are having a wonderful summer and have had time to enjoy your Mid as well as hear tales of some of the amazing activities that they are get to do.

Our Mid has spend most of the summer in Annapolis taking a few classes and she is currently enjoying a great time with PROTRAMID down in San Diego. What could be more fun than flying, boating, camping, and diving! It's a summer made in heaven! But is all seriousness, it is a great opportunity for the Mids to get a taste of the four major service branches that they will need to pick from the following year at Service Selection.

What did your Mid do this summer?

Along with the activities that the Mids have been doing, this time of year also marks the second half of Plebe Summer. The halfway point has been reached, Detailers have turned over, and Plebe Summer marches on toward Plebe Parent Weekend. We all enjoyed hearing the stories of the parent phone calls at the Picnic, and for those of you whose Plebes are mastering Plebe Summer, congratulations! And for those of you whose Plebes are struggling for whatever reason, hang in there. They are tough, they are strong, and they can do it! Continue to be there to support them, and we will be here to support you.

So... enjoy the rest of your summer and look forward to the start of the finest season, Navy Football Season! Hope to see you all at our next event!

Go Navy, Beat Army!!

*Toby and Julie*

#### KC Navarro, 2019

- Varsity Offshore Sailing team raced from Newport Rhode Island to Bermuda. His boat, Defiance, brought home multiple awards
- Quantico with the Marines
- At flight school

#### Alex Piccuch , 2019

- Leatherneck in Quantico, Virginia
- At Naval Air Station Oceana. He wants to be Naval Aviation.

#### Daniel Diaz, 2022

He attended the Southern Appalachian Wilderness Stewards training program for 4 weeks. During his first hitch, the objective was to repair a hiking trail on the mountain side. The 2nd hitch's objective was to clear dense brush from a hiking trail 4 miles from their camp site. With no facilities of any kind and rain on 12 of the 16 days, Daniel truly enjoyed his unforgettable experience!

#### Jessica McJones , 2019

Jessica is in the middle of a typical very busy summer. She was assigned to the USS America in San Diego. She was in China for a LREC activity, There she studied Mandarin and was able to do a bit of sightseeing, including a visit to the Terracotta Warriors.

#### Sophia Pawlek , 2022

#### Leena Carvalhos, 2022

Squad leaders at USNA Summer STEM
