

July, 2019 Issue

Message from the Presidents

And just like that Summer is gone! But it was a memorable one. For the Class of 2023 Plebe Summer is a wrap, and Plebe Parent Weekend, with all the tears and smiles that comes with it, is a part of all of our memories. Now the realities of the academic year are setting in.

For the Firstie's, wrapping up a "cruise" in their perspective community of choice has either solidified their decision for service selection, or has them thinking twice on what they want to do upon graduation. The 2nd Class got a taste of their future with a sampling of each of the communities through the PROTRAMID experience. For us, it was great to have Sami do her training in San Diego and getting to see her each of those weekends and hear the stories from the week's training. And finally the Youngsters, free of their Plebe title, hit the fleet to experience what life is like as an enlisted person. Great training all around and great experiences that will last a lifetime as part of the "Not College" experience.

But while they were out having a great time, so were we! Another big thanks to all that helped with the Summer Beach Picnic, we had a great time and hope all of you did too! As we move into the Fall, we look forward to Navy Football and the world famous APCSC Chili Cook Off in October!

We hope you and your Mids all had a great summer and we look forward to sharing the stories and the experiences they have all earned.

Go Navy, Beat Army!

Toby and Julie

MIDN Daniel Diaz '22

His 3rd block Summer Cruise was in Norfolk, Virginia aboard the USS San Jacinto. He spent the 4 week training docked. He said that one of the really cool things he got to do on the ship was “go aloft” where he was able to climb the main mast with guys in his division to do some cleaning on their gear all the way at the top! Although it didn’t go out to sea, he learned a lot, explored the base, worked out and had much needed liberty on the weekends at Virginia Beach.

Mid Adventures

MIDN Sophia Pawlek '22

Her 3rd block was on DDG-104, USS Sterett out of San Diego. She shadowed a quartermaster (QM-2), learning how they qualified and prepared the ship for sea. She participated in an underway replenishment exercise.

TV: ESPN / RADIO: NAVY RADIO NETWORK

OCT 5 (SAT) / TBA
VS AIR FORCE

ANNAPOLIS, MD.
TV: CBS SPORTS NETWORK / RADIO: NAVY RADIO NETWORK

For those not aware, Navy will be playing Notre Dame in Dublin, Ireland on 29 August 2020. The Brigade has been given information on what it will cost them and payment plan information, should they choose to go. The portion of what each midshipman will pay is of course a fraction of what it actually costs. The balance of the expense will be subsidized. USNA is currently working on this piece. Midshipmen will fly, more than likely, on a charter plane together and will share rooms in designated hotels. We are asking you to share this with the parents in your area as we'd imagine many midshipmen will call them following the brief.

For parents who also want to travel to Dublin, Ireland in 2020, travel packages are selling. Information on this may be found at www.usna.com/ireland Currently, this is the only way to secure a game ticket, through the travel package. Individual game tickets will go on sale early 2020 and will sell out very quickly. For any parents with questions on these travel packages, they may contact me, or our tour operator, Anthony Travel directly.

Go Navy!
