

Message from the Presidents

Fellow Parents:

Here we are... October has come and gone. Six weeks exams are behind us, Halloween has been celebrated on the Yard, and while we are reading this The Brigade will be in the middle of 12-week exams. Before we all know it Thanksgiving will be here and many of us will be reunited with our Mids albeit for a short time.

Navy Football had a huge win over Air Force and for those of us that watched the game at JT Schmitt's we had a great time watching the wind fall from under the wings of the Falcons as they thought they had a come from behind win. While it took the heroics of Malcom Perry to seal the deal, it was a whole team effort and in all the years of being associated with the Academy, I have never seen a more charged-up Brigade (and Superintendent); the storming of the field at the end of the game was really something to behold. Good luck to the team for the rest of the year and to recapturing the Commander-In-Chief's Trophy!

It was good to see a lot of you at that viewing party and at the Chili-Cookoff. Well, the Mids have made the change to Blues, and that is a sure sign that Winter is coming. So with that Julie and I hope that you all have a great Thanksgiving, and truly hope your Mid gets a bit of rest before Army-Navy and the semester finals.

Go Navy!
