

Message from the Presidents

November, 2019 Issue

Fellow Parents:

It is hard to believe that it is December already. Julie and I hope that you all had a great and glorious Thanksgiving Holiday and that you were able to spend time with friends and family and especially your Mid.

It was great to see the various viewing parties hosted by the area coordinators that happened throughout November. Thanks to all the ACs for putting these together.

Now the mad rush to the end of the semester is on! But before that we have one more important event: Army-Navy Football! I think this will be our year to break the recent losing streak, and give the Class of 2020 a victory against the Black Knights! For those of you not making the trip to Philadelphia, don't forget to join the rest of us as we team up with the LA/OC Alumni Chapter in watching the game in San Pedro. It promises to be a lot of fun.

For those of you going to Philly, travel safely and dress warmly! Hopefully we will see you there!

Right after Army-Navy, finals will be here and the end of the first semester for the Plebes. I am sure they are looking forward to coming home for the Winter break as much or even more than us parents.

But there is so much more going on on the yard than football and finals. Our Mids are involved in all sorts of activities, don't forget to send in photos of what you Mids are doing and have them memorialized forever in Tradewinds!

Julie and I wish you all a great Holiday Season and pleasant, restful visit with your Mid while home on break.

Go Navy!! Beat Army!!!
