

Message from the Presidents

February, 2020 Issue

Hello Parents,

It is hard to believe that the end of February is upon us. Where is the time going? It has been a busy few months for the Club and I hope all of you were able to be part of it.

We had a great Winter Meeting/Alumni Salute at the end of January where we heard from parents on what their junior (and not so junior anymore) officers are doing out in the Fleet. It was awesome hearing about the cool things they have been able to do in service to our great country. It is also surprising on the diverse types of opportunities they have had.

In early February we held our annual luncheon for Firstie parents. There, recent grad parents and past Presidents shared their Commissioning Week experiences with the Class of 2020 parents and told them what they have to look forward to as this momentous week approaches. Commissioning Week really is an emotional and uplifting experience with so many different things to do, it is great to be able to hear from those that have done it before us to help make the week even better.

Finally, many of the areas held their "Dark Ages" packing parties, packing boxes of goodies for our So-Cal Mids suffering in the cold of an Annapolis winter. I know the Area 6 and 8 groups had a good although chilly time packing our boxes. Hope you all enjoyed your time as well.

Well, Spring is right around the corner and coming up soon is Spring Break and then our Spring Meeting/Firstie Salute at the Knott's Berry Farm Hotel (22 March)! Hope to see you all there.

Before we know it Commissioning Week will be upon us and will we celebrate our 2023 "Plebes no More" and welcome in the Class of 2024.

So until next month, Go Navy!

Toby and Julie

P.S. - Don't forget to let us know if you are interested in helping out on the Board.
