THERESA MILLER
APCSC TREATS@GMAIL.COM

Birthdays are acknowledged close to the Midshipmen's birthday with the exception of the following:

- July and August Birthday Treats are delivered in September
- June Birthday Treats are delivered in May

WHAT ARE PACKING PARTIES?

Through the Shoremates Program, Local Areas gather for Packing Parties on different days. Families are invited to gather with fellow Club Parents to make Care Packages for their Mids while having a great time meeting and sharing Naval Academy stories. Each family brings multiples of one item (some bring two things or more) ranging from sweet and salty snacks to healthier options. Contributions have also included stress balls, water guns, gift cards to local grinds and coffee shops, hand warmers, cough drops, and encouraging handwritten notes. Packing Parties take place at parks, restaurants, or members' homes, and using the Priority Mail packing box the Area Coordinator brings, each family goes around and collects the items for their Mids' care package. USPS Priority Mail® Flat Rate service cost \$15.50 for a medium box to ship. The package can weigh up to 70 pounds; the cost includes tracking, insurance up to \$50, and delivery in roughly three business days. Each family mails their own Mid's package.
